FINANCIAL DEPARTMENT.

INSPECTION OF TALUK TREASURIES.

To—The Deputy Commissioners, Treasury Department, of all Districts.

No. 2040, *dated* 20*th*—22*nd February* 1904.

I. Adverting to para 62 of Government Order No. 1150-1192—18-1901-2, dated 7th February 1903, the Comptroller has the honor to impress upon all Deputy Commissioners the fact that the responsibility for the proper management and efficient working of all the Treasuries in their respective Districts rests entirely with them. Government Order No. 3547-55—R. F. 213-92, dated 11th December 1892, requires that every Sub-Treasury in a District should be inspected by the Deputy Commissioner or by one of his Assistants once at least every six months and the result of each examination reported to this office. One of these half-yearly inspections at least has, as recently required by Government, to be technical and as such should be conducted by the District Treasury Officer himself and reported to this Office through the Deputy Commissioner.

II. Deputy Commissioners are therefore requested to be so good as to arrange for the requisite systematic inspection of all the Sub-Treasuries in their Districts. In special cases where further examination by an expert is found necessary, a qualified officer from this office will be deputed for the work.

III. Revised printed forms of inspection report will be sent on receipt from the Press. Till then the existing report forms may be used.

Circular No. 2041—*Rec.* 252, *dated* 7*th March* 1904.

To—The Deputy Commissioners, Treasury Department, of all Districts.

It has been observed that since the introduction of four anna deferred telegrams the cost of such telegrams has been unnecessarily on the increase, owing to the addresses not being carefully worded so as to bring the number of words in each to the limit allowed by the telegraph rules. Most of the Treasuries address their telegrams to the undersigned as "Offg. Comptroller, Government of Mysore," "Offg. Comptroller, Mysore Government"; "Comptroller, Government of Mysore"; or "Comptroller, Mysore Government"; thus making the address unnecessarily long by three to four words, when a single word "Comptroller" will answer the purpose. There is no other Comptroller in Bangalore and consequently no chance of any message being misdelivered. The sender's address is also unnecessarily long. As the name of the office of origin is always given by the Telegraph Department itself and allowed free, there is no necessity to repeat it in the address. The sender's name may conveniently be reduced in the case of District Treasuries to "Deputy Commissioner, Treasury" or in the case of Sub-Treasuries simply "Amildar."

The number of words in the message proper may also be reduced as much as possible consistent with clearly expressing the intended meaning. As for example, in the case of remittance, the message need only be "remitted $\frac{\text{Specie}}{\text{or notes}}$ one lakh" or "remitted $\frac{\text{Specie}}{\text{or notes}}$ 50,000 or 5,00,000" and so on, it being always understood that in the case of remittances wired to this office the remittances are made to the State Huzur Treasury.

It is requested that Deputy Commissioners, Treasury Department, of Districts will kindly issue needful instructions to the District and Taluk Treasuries under their charges.

VILLAGE SCHOOL FEES.

Circular No. 2042—*Rec.* 248, *dated* 28*th Feb.*—7*th March* 1904.

The Government of His Highness the Maharaja of Mysore having in Proceedings No. G. 3357-67, dated 9th January 1904, sanctioned the levying of fees in Village Schools and directing that the Shekdars should receive the fee collections for payment into Taluk Treasuries, the Comptroller has the honor to request that Deputy Commissioners, Treasury Department, will be so good as to instruct the Amildars of Taluks to receive the Village School fees tendered to their Treasuries by Shekdars and credit the same to a new head of account under Village Schools to be styled "Schooling Fees." Care should be taken that the payments made are accompanied with chellans prepared in the prescribed printed form in which sufficient details are entered to enable the Treasury to credit the amount to its proper head of account. A subsidiary statement giving details of the Schools and the amount of fee paid by each should accompany the District Treasury account submitted to the Comptroller monthly in support of the total credit brought to book therein.
